The Valley Boys Books 1-3 Mar 25 2022 ART OF LOVE The professor is about to be schooled.

Art professor Demetri Stavros has one rule: Don't sleep with your students. Despite a few offers, he's never been tempted... until now. Though it could end his career, Demetri can't stay away.

Roman Reed makes him question his priorities and his life. But Demetri's secret? He'll keep that to himself. After all, is a lie of omission really a lie? A past betrayal has taught Roman the

importance of running his personal life by strict standards. Honesty is a must. Then he discovers Demetri's truth. Can Roman overcome his history and find forgiveness, or are the lies more

powerful than their growing love? FLIGHT OF FANCY One donor heart. Two damaged men.

Three tangled destinies. Seven years after his partner's tragic death, pilot Joss Kincaid is ready to love again. Only he never expected love to come knocking on his hangar door. Milo Malone has

made the sky's bluer, his days brighter, and his nights... well, you know... Now Joss is ready to take things to the next level. Except something isn't right. When Joss finds out Milo is so much

more than the man he thought he was, it pitches their budding relationship into chaos. Can Joss trust his feelings for Milo? Or are they merely remnants of the love he had for the man he'd lost?

DEN OF THIEVES Max never wanted to leave, but now he's back... ..and he has a lot to make up for. When Max's estranged sister goes missing, he must face the man he hurt the most—his

ex. Desperate for help, Max drops back into Derek's life. Derek wants to refuse... ..but the stakes are too high. Though their explosive chemistry hasn't diminished, life with Max is never simple. His sister's disappearance is no exception. Derek's brilliant plan? Solve the case quickly, and put Max back where he belongs—in Derek's rearview mirror. Except the world has another plan, putting their hearts—and their lives—on the line. Will their forced proximity foster reconciliation, or are their old wounds too deep to heal?

The Fall of the Sky Lords May 03 2020 Shangri-La is a protected haven built by the enigmatic Eloi, (genetically-enhanced humans of indeterminate sex), and is now the Antarctic underwater prison of Jan Dorvin, once Sky Lord Captain, sometime dictator of the depleted Earth of the Gene Wars, and her maimed lover, Robin. Far above them, the struggle against the mighty airships and their commanders continues, as Ashley, a rogue computer personality, once again joins forces with the Machiavellian trickster, Milo Haze, against the remaining rebellious survivors of humanity. Meanwhile, on Belvedere, a religious commune set in deep space, contact is made with Earth for the first time in years and an unexpected counter is thrown into the game. Milo Haze, Mark Two, is about to enter the equation.

Men Who Manage May 27 2022 This is a classic study of how managers interpret and engage problems as they are experienced and felt at various points and levels in factories and businesses. Melville Dalton, drawing on ethnographic data, examines both positive and negative interactions among managers, between managers and between workers, and managers and firms. He discusses the consequences for each group that result from their interactions. Where relevance and data allow, Dalton relates his findings to the surrounding community. Dalton argues that the recurring problem areas in management grow out of six main areas: pressures for economy of operation; "cooperation" of officially powerless experts with their administrative superiors; local conflicts between union and management; uncertainty about the route to a place in middle and upper management; the task of recognizing and rewarding differential contributions; and the moral conflicts of the individual executive. Each of these six problem areas is made the subject of a chapter. What emerges is a study of compromises among key individuals and groups in business organizations, and of the strictures on compromise. The book offers insights into how workplace rules, in practice, move from being sacred guides to flexible tools to balance company goals and personal ends. This volume includes a new introduction by David Shulman detailing the importance of this work more than forty years after its original publication. It is part of Transaction's Organization and Business series.

Handbook of Fermented Functional Foods, Second Edition Oct 27 2019 For centuries, people around the world have used fermentation to preserve and enhance the flavor of a wide variety of foods. Today, complex interactions of microbiota in the digestive tract are found to influence proper digestion, metabolism, and disease resistance. With greater emphasis on natural products and the role of food in health and wellbeing, food manufacturers are once again turning to fermentation not just for extending shelf life, but to create functional food products that take an active part in maintaining overall health. Featuring five new chapters and updating all data to reflect the latest research findings, *Handbook of Fermented Functional Foods, Second Edition*

examines the health benefits of fermented foods as well as the processes and production techniques involved in manufacturing fermented food products. Maintaining the highest quality information and the easily accessible format of its predecessor, this edition includes new chapters on olives, tempeh, and the traditional fermented foods of China, Thailand, and India. It looks at the history of fermented foods and reveals the specific benefits of fermented milk, Kefir, yogurt, and cheese. Contributions cover fermented soy products, including Natto and Miso, as well as the fermentation of other vegetables such as Korean Kimchi and Doenjang and German sauerkraut. The book also explains the bioactivity and bioavailability of microorganisms and investigates the more recent practice of producing probiotic cultures to add to fermented foods for increased health benefit. Presenting new findings and interpretations that point even more clearly to the important role fermented foods play in our diet and overall health, this second edition demonstrates the current knowledge of fermented food production and reflects the growing credibility of probiotics in health maintenance.

Sport Development in Action Feb 21 2022 This practical textbook explains the sport development process from a practitioner's viewpoint, showing what actually works, how, and why. Focusing on the development of sport, the book considers the efforts of sport organisations to revitalise their sports at a community level to ensure their future relevance, growth, and sustainability. Full of real-world cases and data, as well as the voices and reflections of a wide range of practitioners, *Sport Development in Action* explains how to research and draw up a development plan, how to design and implement programmes and establish delivery networks, and how to monitor and evaluate initiatives. This is essential reading for any sport development course, and useful reading for courses in sport management, sports coaching, or sports studies. It is also an indispensable reference book for practitioners.

The King's Daughters Aug 18 2021 Far to the north of the hot desert land of Telfar lies the frozen kingdom of Sorvinka. Prince Amir has traveled there, leaving his sultanate in the hands of his half-brother Erik as he seeks to ask the king, the father of the beautiful Princess Eva, for her hand in marriage. But Sorvinka has grown dangerous during Princess Eva's absence, as she and Amir discover to their terror, when their force of guards and eunuchs is cut down by ruthless brigands. And upon their arrival, their welcome to Eva's family stronghold is as bitterly cold as the land itself. Accustomed to the golden cage of his upbringing, Prince Amir must navigate his way through the strange and cold-blooded customs of the Sorvinkans, and somehow find the truth behind the kidnapping of the king's youngest daughter, the Princess Aurora, by the Sorvinkan's traditional enemies, the neighboring Farrellians. But what can a stranger in a foreign land do?

Gendering the Recession Aug 30 2022 This timely, necessary collection of essays provides feminist analyses of a recession-era media culture characterized by the reemergence and refashioning of familiar gender tropes, including crisis masculinity, coping women, and postfeminist self-renewal. Interpreting media forms as diverse as reality television, financial journalism, novels, lifestyle blogs, popular cinema, and advertising, the contributors reveal gendered narratives that recur across media forms too often considered in isolation from one another. They also show how, with a few notable exceptions, recession-era popular culture promotes affective normalcy and transformative individual enterprise under duress while

avoiding meaningful critique of the privileged white male or the destructive aspects of Western capitalism. By acknowledging the contradictions between political rhetoric and popular culture, and between diverse screen fantasies and lived realities, *Gendering the Recession* helps to make sense of our postboom cultural moment. The Island of Lote Jul 29 2022 Milo Hestler is a lonely, unusual, fourteen-year-old girl. She is constantly moving from home to home with her oblivious parents. The only friend she has is her conscience, whom she has named Bob. Her only comforts are cooking and listening to hip-hop. When her family moves yet again, Milo is bullied mercilessly by her classmates. Such treatment prompts her to travel to Australia for summer camp. During the plane ride, Milo awakens to find the plane deserted and about to crash. After parachuting into the ocean, she discovers she is near an island. Milo passes out, and upon waking, learns she was rescued by a boy named Simon, who is cute, but can't speak English. Not able to understand him, she accidentally says yes when he asks her to marry him. He leads her to a small town on the island, where they locate someone who can translate for them. Milo is outraged to hear that she is engaged to Simon and wants to call it off, but learns that this island has rules that cannot be broken. She must go through with the marriage against her will. After learning about the trick he played on her, Milo hates Simon, though it is obvious that sixteen-year-old Simon really likes her. What will happen next on *The Island of Lote*?

Death of the Planet of the Apes Sep 26 2019 The official, never-revealed adventures of astronaut George Taylor from the movie *Planet of the Apes* In *Beneath the Planet of the Apes*, Col. George Taylor (played by Charlton Heston) disappears into the Forbidden Zone, only to return in the film's climactic scene. For forty-eight years, the question has remained—what happened to Taylor? Finally the truth is revealed. Beneath the irradiated wasteland, the astronaut faces the deadly wonders of a gleaming city and its inhuman citizenry. On the surface the gorillas—led by General Ursus—launch an all-out assault to exterminate the savage animals known as humans. And out in the desert, the chimpanzee scientist Milo strives to reconstruct the spacecraft that brought the humans from the past. Events spiral at a breakneck pace, with the fate of a world at stake.
