Their hardships and tragedies are fodder for outrageous, embellished tales. This book is written for the thousands of descendants of homesteaders who have heard their ancestors' tales and would like to read more. It is also for those who, having lived during most of the twentieth century, are thirsting for a book that recognizes their commonplace accomplishments. Humor and hilarity intermingle with pain and poignancy to capture and hold the reader's interest.

Cobb's Ordeal May 31 2022 Daniel W. Cobb, a farmer and small slaveholder from Virginia's rural tidewater, was unhappily married, resentful of his prosperous in-laws, and terribly lonely. His closest friend was the diary he kept for more than thirty momentous years in American history, from 1842 until his death at age sixty-one in 1872. The devout, plainspoken Cobb wrote in a conversational style, candidly recording his innermost thoughts. His diary's intimate account of a troubled marriage provides a painfully frank chronicle of incompatibility. The diary also illuminates the momentous impact of the Civil War and emancipation. Offering many insights into the oral culture from which he sprang, *Cobb's Ordeal* reveals the great differences that separate his world from our own.

Wills of Rappahannock County, Virginia 1656-1692 Feb 02 2020 Mr. Webb's Sussex County directory is divided into three parts. The first part, comprising fully half the book, gives a historical overview of Sussex County, eminent Sussex pioneers, the establishment of the county courthouse, and so forth. The historical narrative then moves on to each of the county's fourteen townships from Andover through Wantage, delineating milestones, landmarks, and famous episodes in the lives of the townships. Part 2 constitutes the directory itself, which is arranged by township and lists the name of each freeholder, with his village, living in Sussex County at the time of the volume's original publication in 1872. In all, some 5,000 freeholders can be found in the directory.
