[Running Lean](#) Oct 04 2022 We live in an age of unparalleled opportunity for innovation. We're building more products than ever before, but most of them fail—not because we can't complete what we set out to build, but because we waste time, money, and effort building the wrong product. What we need is a systematic process for quickly vetting product ideas and raising our odds of success. That's the promise of Running Lean. In this inspiring book, Ash Maurya takes you through an exacting strategy for achieving a "product/market fit" for your fledgling venture, based on his own experience in building a wide array of products from high-tech to no-tech. Throughout, he builds on the ideas and concepts of several innovative methodologies, including the Lean Startup, Customer Development, and bootstrapping. Running Lean is an ideal tool for business managers, CEOs, small business owners, developers and programmers, and anyone who's interested in starting a business project. Find a problem worth solving, then define a solution Engage your customers throughout the development cycle Continually test your product with smaller, faster iterations Build a feature, measure customer response, and verify/refute the idea Know when to "pivot" by changing your plan's course Maximize your efforts for speed, learning, and focus Learn the ideal time to raise your "big round" of funding Get on track with The Lean Series Presented by Eric Ries—bestselling author of The Lean Startup: How Today's Entrepreneurs Use Continuous Innovation to Create Radically Successful Businesses—The Lean Series gives you solid footing in a proven methodology that will help your business succeed.

[The Only Cleanse: A 14-Day Natural Detox Plan to Jump-Start a Lifetime of Health](#) Aug 22 2021 News flash: Your body already knows how to detox; you just need to turn on the right cues to make it happen. Here's how, with a 14-day plan that will change your life forever. Time to detox and cleanse? Don't go with a fad diet that makes promises you can't keep (all juice, all the time—sound familiar?). Instead, turn to Samantha Heller for a program that really works. Cleanses, detoxes, and other purifying practices have been around for hundreds of years, from fasting to juicing and everything in between. Not all of them are tried-and-true, and most aren't scientifically sound. But finally, here it is: the only cleanse you'll ever need. The Only Cleanse is uniquely designed to fully integrate, elevate, and reestablish the body's biochemical balance. Heller uses a five-pronged approach that covers diet, stress, emotions, exercise, and sleep. She also reviews existing detox plans and explains the pros and cons, further emphasizing why her plan is the only one you need.

Der Mom Test Feb 02 2020 SIE WERDEN ANGELOGEN Man sagt, dass Sie niemals Ihre Mutter fragen sollten, ob Ihre Geschäftsidee gut ist, denn sie liebt Sie und wird deswegen lügen. Stimmt, verfehlt aber das eigentliche Argument! Sie sollten niemanden fragen, ob Ihre Geschäftsidee gut ist. Diese schlecht formulierte Frage fordert die Leute implizit dazu auf, Sie zumindest teilweise anzulügen. Niemand ist verpflichtet, uns die Wahrheit zu sagen. Es ist unsere Aufgabe, sie zu finden. STELLEN SIE RICHTIGE FRAGEN Kundeninterviews sind eine der zentralen Fähigkeiten von Customer Development und Lean Startup. Wir alle wissen um ihre Notwendigkeit, leugnen aber, dass es eine schwierige Sache ist, die schnell in die Hose gehen kann. Dieses Buch zeigt Ihnen, warum Kundengespräche oft falsch geführt werden und vor allem, wie Sie es besser machen können. How to Plan Your Own Destination Wedding Sep 22 2021 Ten years ago, when Sandy Malone was planning her Caribbean destination wedding, there was no Pinterest, no Instagram, and no Wedding Wire. The Knot and the Wedding Channel were in their infancy. And Malone was planning her wedding from scratch. The tips and advice in How to Plan Your Own Destination Wedding will help brides and grooms navigate the murky waters of destination-wedding planning—and they are murky because most do-it-yourself brides and grooms are looking to do something “different” from what all of their friends have done before them. Unfortunately, the more remote, bizarre, and challenging the destination is, the more attractive it appears to the do-it-yourself couple. That’s where Sandy Malone, star of Wedding Island (TLC), who has been planning weddings for ten years, comes in. She offers advice to brides and grooms on how NOT to spend money on things they don’t need to invest in, and where they DO need to spend money to make sure the event runs smoothly. She also gives tips on how to negotiate the contract with the venue, the “wetiquette” of invitations for destination weddings, finding and handling vendors abroad, and much more. This book offers the complete guide to destination weddings, by a true expert!
