by the otherworldly in this unforgettable collection of new ghost stories from the bestselling author of *The Woman in Black*. In the title story, on a murky evening in a club off St James, a paranormal detective recounts his most memorable case, one whose horrifying denouement took place in that very building. A lonely boy makes a friend in 'Boy Number 21', but years later is forced to question the very nature of that friendship. 'Alice Baker' tells the story of a mysterious new office worker who is accompanied by a lingering smell of decay. And in 'The Front Room', a

mother tries to protect her children from the evil influence of their grandmother, both when she is alive and afterwards. This paperback edition includes the chilling 'Printer's Devil Court' in which three medical students make an unholy pact whose consequences will pursue one of them to the grave - and perhaps beyond. This is Susan Hill at her best, telling characteristically creepy and surprising tales of thwarted ambition, terrifying revenge and supernatural stirrings that will leave you wide-awake long into the night.

Safety Essentials for Business and Leisure Travel Dec 06 2020 At this moment in time, when the world is only just beginning to recover from the global impact of the COVID-19 pandemic, the research in this book makes for essential reading. It will serve to help re-establish confidence and reduce anxiety in business and leisure travellers who are planning to embark on new travel experiences in a world impacted by longer-lasting armed conflicts, increased global violence, and higher frequencies of natural disasters.

This book blends in-

depth academic research around global risk mitigation with unique perspectives on business and leisure travel safety, narrated by authors who have extensive knowledge of security and risk mitigation systems. Each page contains easy-to-follow advice for domestic and international travel, but differs from other books, in that it addresses the 'hard' issues of travel safety (such as theoretical research around risk mitigation), in lieu of setting the focus solely on the 'soft' issues (like itinerary planning) which tend to be the focus of many travel publications today. Moreover,

is an extreme travel section adapted to business and leisure travellers, which makes for compelling reading and deals with kidnapping, risk mitigation and contingency planning. It incorporates the real-life experiences of one of the authors, who survived torture and abduction, and whose experiences now inform pre-deployment training for Australian Defence Force personnel for operations in armed conflict. This book blends the female and male voice into a narrative that combines the perspectives of professional security experts with common sense travel advice. The

research that has gone into this book is essential reading for anyone who intends to embark on business or leisure travel, either in their own country or overseas, or who is interested in studying travel from an academic viewpoint.
