Probability Theory and Applications Sep 22 2019 Probability theory and its applications represent a discipline of fundamental importance to nearly all people working in the high-technology world that surrounds us. There is increasing awareness that we should ask not "Is it so?" but rather "What is the probability that it is so?" As a result, most colleges and universities require a course in mathematical probability to be given as part of the undergraduate training of all scientists, engineers, and mathematicians. This book is a text for a first course in the mathematical theory of probability for undergraduate students who have the prerequisite of at least two, and better three, semesters of calculus. In particular, the student must have a good working knowledge of power series expansions and integration. Moreover, it would be helpful if the student has had some previous exposure to elementary probability theory, either in an elementary statistics course or a finite mathematics course in high school or college. If these prerequisites are met, then a good part of the material in this book can be covered in a semester (15-week) course that meets three hours a week.

Bible Answers Jul 21 2019 Bible Answers is not a complete Bible Study book, but through it, God entrusted to me a complete message from the Bible, inspired from the Holy Spirit for the whole world no matter their religions; to convey biblical prophecies that he has asked Daniel to keep in secret and sealed until the time of the end. Dan.12:4,9,10; Isa. 29:9-14; Jesus quoted it in Mt.13:13-15; and Paul in Ro.11:8-10. The prophecies are revealed now, by the authority of the blood of Jesus Christ, and the power of the Holy Spirit, because we are near to the end of time. In my new spiritual nonfiction book: Bible Answers, people of all creeds will benefit in

search of answers to questions that all of us face, by casting aside superficial belief. For God is highly displeased with people who wag their tongues, and declare the Lord declares. What is the shaft of the wheat? Says the Lord Jer.23:28-32. As the heaven are higher than the earth, so are my ways higher than your ways, my thought are not your thought. Says the LORD. Our Savior, Jesus forbids anyone to add or to take away from the word of his prophecies, God shall take away his part from the book of life. Rev.22:18,19. This book answers paramount questions that everyone ask, which cause confusion in all religions. The unique advantage is, it's answers questions solely on God's written word by his supreme authority held in the Bible; to help everyone to have peace of mind, and be prepared for their judgment day. The LORD Jesus says in John 12:47,48: "He who reject me, and does not receive my sayings, has one who judges him, the word I spoke is what will judge him at the last day. " Through This book, Readers will find answers for questions as: 1. Does the Bible say the Rapture will result in believers being raised to Heaven? 2. Did God promised his people to send them to heaven? 3. Where will be the place that the Lord Jesus promises? 4. Who is the bride of the Lamb? And more. Bible Answers is also written in French: La Bible Respond. I strongly recommend it to all religious leaders to help people to get peace of mind about their spiritual life, the same way they need insurance for their body, one need to be sure about the insurance for the soul. Jesus says:" For what will it profit for man if he gain the whole world, and loses his own soul? Mc.8:36 The servant of the Lord Jesus Christ and yours, sister Roseline; Jesus loves you and so do I
