Frag immer erst: warum Oct 12 2020 Am Beginn einer jeden Erfolgsgeschichte steht eine einfache Frage: Warum? Warum sind manche Organisationen profitabler als andere? Warum werden einige Führungskräfte von ihren Mitarbeitern mehr geschätzt und andere weniger? Warum sind manche Menschen in der Lage, immer und immer wieder erfolgreich zu sein? In seinem Bestseller, der nun zum ersten Mal in deutscher Sprache erscheint, zeigt Simon Sinek, dass erfolgreiche Persönlichkeiten wie Martin Luther King Jr. oder Steve Jobs alle nach demselben, natürlichen Muster dachten, handelten und kommunizierten. Am Anfang ihres Wirkens stand immer die Frage nach dem Warum. Mit diesem Ansatz schafften sie es, bedeutende Dinge zu vollbringen und darüber hinaus ihre Mitstreiter zu inspirieren. Sich an diesen Vorbildern orientierend, gibt Sinek in seinem Ratgeber nun Führungskräften, Unternehmen, aber auch Privatpersonen einen Leitfaden an die Hand, der zum endgültigen Erfolg verhilft. Dabei erklärt er das so erfolgreiche Muster, welches dem goldenen Schnitt ähnlich ist, und auf den drei elementaren Fragen basiert: Warum? Wie? Was? Dadurch eröffnen sich dem Leser völlig neue Möglichkeiten und er wird lernen, dass die Motivierung von Mitarbeitern viel zielführender ist als ihre Manipulation! Und dies geht ganz einfach: einfach "Warum?" fragen.

The Confederation Group of Canadian Poets, 1880-1897 Dec 14 2020 As one of the formative periods in Canadian history, the late nineteenth century witnessed the birth of a nation, a people, and a literature. In this study of Canada's first 'school' of poets, D.M.R. Bentley combines archival work, including extensive research in periodicals and newspapers, with close readings of the work of Charles G.D. Roberts, Archibald Lampman, Bliss Carman, William Wilfred Campbell, Duncan Campbell Scott, and Frederick George Scott. Bentley chronicles the formation, reception, national and international successes, and eventual disintegration (after the 1895 'War Among the Poets') of the Confederation Group, whose poetry forever changed the perception and direction of Canadian literature. With the aid of biographical, political, and sociological analyses, Bentley's literary history delineates the group's political, aesthetic, and thematic dispositions and characteristics, and contextualizes them not only within Canadian history and politics, but also within contemporary intellectual and literary currents, including Romantic nationalism, 'Canadianism', and poetic formalism. Bentley casts new light on the poets' commonalities - such as their debt to Young Ireland, their commitment to careful workmanship, and their participation in the American mind-cure movement - as well as on their most accomplished and anthologized poems from 1880 to 1897. In the process, he presents a compelling case for the literary and historical importance of these six men and their poems in light of Canada's cultural and political past, and defends their right to be known as Canada's first poetic fraternity at a time when Canada was striving to achieve literary and national distinction. The Confederation Group of Canadian Poets, 1880-1897 is an erudite and innovative work of literary history and critical interpretation that belongs on the bookshelf of every serious scholar of literary studies.
