A Father's Journey Nov 05 2022 Life has a way of changing course without warning. When it comes to independent films, William Stewart is arguably one of the best documentary producers in the industry. But he's not the most business savvy when dealing with his companys earnings, or as a participant in the life he shares with the family he loves dearly, his wife and college sweetheart, Anna and their sons, John and Luke. After a long anticipated return home for the Christmas holiday, Anna confronts her wayward husband with the news that she is leaving him and taking their children. Complicating matters, William's business partner conspired with others to swindle the company away from him. As his life disintegrates before his eyes, William embarks on a faithful journey to discover who and what are important in his life and what he must do to reclaim it. A Fathers Journey is a story of lost identity, of one mans tragic struggles as a parent and as a husband, and of the presence of love, even if we dont see it.

Mental Traveler Dec 02 2019 How does a parent make sense of a child's severe mental illness? How does a father meet the daily challenges of caring for his gifted but delusional son, while seeking to overcome the stigma of madness and the limits of psychiatry? W. J. T. Mitchell's memoir tells the story—at once representative and unique—of one family's encounter with mental illness and bears witness to the life of the talented young man who was his son. Gabriel Mitchell was diagnosed with schizophrenia at age twenty-one and died by suicide eighteen years later. He left behind a remarkable archive of creative work and a father determined to honor his son's attempts to conquer his own illness. Before his death, Gabe had been working on a film that would show madness from inside and out, as media stereotype and spectacle, symptom and stigma, malady and minority status, disability and gateway to insight. He was convinced that madness is an extreme form of subjective experience that we all endure at some point in our lives, whether in moments of ecstasy or melancholy, or in the enduring trauma of a broken heart. Gabe's declared ambition was to transform schizophrenia from a death sentence to a learning experience, and madness from a curse to a critical perspective. Shot through with love and pain, Mental Traveler shows how Gabe drew his father into his quest for enlightenment within madness. It is a book that will touch anyone struggling to cope with mental illness, and especially for parents and caregivers of those caught in its grasp.

Don't Puke on Your Dad Apr 29 2022 Taking the words out of every father's mouth, Toby Morris' Don't Puke on Your Dad is a hilarious and heart-warming first-hand account of the first year of parenthood. Featuring his charming illustrations, and penned in his own quirky hand, this innovative graphic novel invites the reader to share in Morris' journey through baby Max's tumultuous first year of life. Spanning the delighted but discombobulated days following his birth right through to the sentimental celebration of his first birthday, the illustrations provide an honest and amusing look at the extreme highs and lows of parenthood. The book speaks to the uncertainty that many fathers feel with regards to parenting, and explores previously un-aired topics, such as 'manly' baby talk, and pub-toilet nappy changes. An amusing read, whether casually or cover-to-cover, Don't Puke on Your Dad makes the perfect Father's Day present for anyone who has or is about to embark on the crazy roller-coaster ride that is fatherhood.

Domination And Defiance: Fathers and Daughters in Shakespeare Aug 29 2019 Shakespeare was clearly fascinated by the relationship between fathers and daughters, for this primal bond of domination and defiance structures twenty-one of his comedies, tragedies, and romances. In a conflict that is at once social and interpersonal, Shakespeare's fathers demand hierarchical obedience while their daughters affirm the new, more personal values upheld by Renaissance humanists and Puritans. In her penetrating analysis of this compelling relationship, Diane Dreher examines the underlying psychological tensions as well as the changing concepts of marriage and the family during Shakespeare's time. She points to the pain and conflict caused by sex role polarization. Shakespeare's possessive fathers tyrannize over their daughters, unwilling to relinquish their "masculine" power and control and leaving these young women with only two alternatives: paternal domination or defiance and loss of love. The logic of Shakespeare's plays repudiates traditional stereotypes, showing how women like Ophelia and Desdemona are destroyed by conforming to the passive Renaissance ideal. The book concludes with a consideration of Shakespeare's androgynous characters – dynamic women in doublet and hose, and fathers who become sensitive, caring, and empathetic. Shakespeare's balanced characters thus reconcile the polarities within themselves and bring greater harmony to their world. Domination and Defiance is the first book on this most provocative relationship in Shakespeare. Shedding new light on the complex father-daughter bond, character, and motivation, it makes a major contribution to literary studies.

Don't Blame the Children Mar 05 2020 Many child experts agree that the role of a father in the lives of children is crucial to guiding and nurturing their development. Unfortunately, most men coast through their parenting journey without ever reflecting, assessing, or measuring the impact their actions and words have on their children. Fortunately, all is not lost. If men would begin to pursue fatherhood the way they pursue sex, the results would be pretty incredible. Through his many personal stories, Derek's proactive, self-reflective approach to parenting offers men at any stage in their parenting journey the opportunity to: Reflect on their current parenting choices. Assess and analyze their areas of strength, areas requiring improvement, and areas yet to be developed. Discover tips and strategies to assist in achieving the changes or improvements they desire. Take the risk! Begin your John 10:10-ordained abundant, filled to the brim, overflowing life with your children today. You will never regret it! About the Author: Derek Bradley spent several years as an elementary teacher, principal, and Director of Education. He is a graduate of the Government of Canada's ileadership program as well as the International School of Ministry (biblical studies). Today, he works as an education specialist. Derek and his three boys-Tyler, Luke, and Wells-currently reside in Winnipeg, Manitoba. Their family vision is to help the less fortunate and marginalized people of today's generation reach their full potential.

A Father's Journey, a Daughter's Voyage, a Cancer Journal Aug 22 2021 This is a fascinating and instructive look at a father and daughter's relationship and the emotional strategies the family used while confronting a double mastectomy, chemotherapy and radiation treatments. The story is told through edited entries from a journal maintained by the father, poetry written by the daughter, and discussions of how to manage a family while confronting the uncertainty created by breast cancer.

Als ich unsichtbar war May 19 2021 Gefangen im eigenen Körper. Martin ist zwölf, als ihn eine rätselhafte Krankheit befällt: Er verliert seine Sprache, die Kontrolle über seinen Körper, ist nach wenigen Monaten völlig hilflos. Die Ärzte sagen seinen Eltern, er werde für immer schwerstbehindert bleiben. Was niemand ahnte: Im Kokon seines Körpers verbirgt sich ein schrittweise erwachender Geist und eine zutiefst lebendige Seele. Als Martin aufwacht, kann er nur mit den Augen Lebenszeichen geben. Eine Pflegerin erkennt schließlich, dass er sehr wohl bei Bewusstsein ist und alles um sich herum mitbekommt. Dann endlich erhält er die Hilfe, die er benötigt, um sich ganz ins Leben zurück zu kämpfen. Martin Pistorius erzählt bewegend und absolut authentisch darüber, was ihn in den elf Jahren der Hilflosigkeit am Leben gehalten hat. Sein dramatisches Buch über seine Erfahrungen zeigt, dass mit der Unterstützung einer Familie, die nicht aufgibt und einem großen Lebenswillen sogar Wunder möglich sind.

Father for Life: A Journey of Joy, Challenge, and Change Oct 12 2020 In this ground-breaking book, Armin Brott presents the stages of fatherhood with the same thoroughness, accessibility, and humor that have made his critically acclaimed New Father series of books the most popular fatherhood guides in the country. He offers a wealth of information and practical tips, incorporating the wisdom of experts, studies about parental development, and his own extensive interviews with hundreds of fathers. Because fatherhood is a progression, the chapters are organized chronologically and describe a father's physical and emotional growth, how he influences a child at every age, and how a child impacts a father's evolution in turn. Brott covers everything from such general issues as how to juggle work and family roles, how to affect the kind of person your child becomes, and when to encourage his individuality and independence to such specific topics as how to get to know your baby, what to do if your teen uses drugs, and how to cope when adult children return home. Illustrated throughout with New Yorker style cartoons that underscore the universality of the joys and woes of parenting, Father for Life is brimming with insights and advice, and is an indispensable, lifelong guide—not only for every dad, but for every mom and child as well.

The Memoirs of One Man's Journey Through Time Dec 14 2020 Can you recall the time, or times, you did something for Jesus because you felt convicted by His Spirit to do so? Something or some things that required you to take a leap of faith in God? Something that, when you started your walk of faith, took you a little out of your comfort zone? It took Dad a little bit out of his comfort zone when he felt God calling him to go to college to prepare for the gospel ministry. He didnt have enough money to pay for a college education; however, he believed with Gods help he could find a way to pay his bills. Dad enrolled as a student at William Jewell College in Liberty, Missouri, for the fall semester of 1941.

Laughter, Tears and Braids Apr 05 2020 Within six months, an aggressive cancer killed Lisa Ham, a Raleigh, North Carolina mom at the young age of 39. Her husband, Bruce, was left scrambling to pick up the pieces of their life, while maneuvering the world with a broken heart. The responsibilities of being a single father to his three active daughters were overwhelming. Bruce wrestled with his faith and questioned his ability to parent competently without Lisa by his side. But slowly, his wife's tough spirit inspired Bruce to shape his new normal and to find inner peace and laughter again. Along his personal journey, he became his girls' confidante, while mastering hair dryers, shopping trips, tights and braids.

Best Seat in the House: A Father, a Daughter, a Journey Through Sports Aug 02 2022 From the best-known and most widely read woman sports columnist in the United States comes a remarkable memoir of a father and a daughter, the story of a girl who would turn her love for sports into a trailblazing career. Christine Brennan grew up in Toledo, Ohio, spending her summers playing with the boys on her block, memorizing baseball statistics, accompanying her dad to countless baseball and football games, and falling in love with everything about sports. While other girls were playing with Barbie dolls, Chris was collecting baseball cards and listening to the radio for the play-by-play accounts of her favorite teams. The eldest of four children, Chris was her father's daughter from the beginning. For a girl growing up in the 1960s and '70s, in the days before Title IX changed the playing fields of America, there were few opportunities to play organized sports. But Jim Brennan encouraged his daughter to believe she could play anything she wanted to, and when she couldn't be on the field, he was by her side in the stands – she always thought the seat next to her father was the best seat in the house -- usually cheering for the underdog, and making sure Chris knew there was a place for her in the world of sports. In her warm and inspiring memoir, the first of its kind by a female sports journalist, Brennan takes readers from her neighborhood ball fields to the press boxes and locker rooms of stadiums around the world. Guided by her father's unflinching sense of loyalty, honor, and fairness, at the age of twenty-two she became the first female sportswriter for The Miami Herald, and in 1985 was the first woman to cover the Washington Redskins as a staff writer for The Washington Post. Over the past quarter century, Brennan has reported on many of the biggest stories in sports, and led the coverage of both the 1994 Tonya Harding-Nancy Kerrigan saga and the pairs figure-skating scandal at the 2002 Salt Lake Olympics. Her USA Today column on Augusta National Golf Club, home of the Masters, triggered a nationwide debate about the club's lack of female members. Told in the spirited, friendly voice that readers of her column have come to love, Best Seat in the House is the heartwarming chronicle of a girl who came of age as women's sports were coming of age, encouraged every step of the way by her beloved father.

A Journey Through Time Apr 17 2021 Driven by her desire to know more about her Italian heritage, twenty-two-year-old Gina MacLeary reaches out to her mother who leads her to eight boxes of journals she kept while growing up in Bologna, Italy. For the first time in her life, Gina possesses the answers to the many questions that have been plaguing her for years. As Gina turns the journal pages and devours her mothers words penned from 1938 to 1945, she witnesses a true glimpse of the human condition during wartime. As her familys experiences are revealed, Gina learns how they coped with the pressures of war, the stress of hiding a family escaping the Jewish ghetto, and their struggle to make it to America. Through it all, Gina gains a new perspective of her family as they endured, sacrificed, and found the strength to overcome adversity. Inspired by real-life stories and conversations, A Journey through Time shares the fascinating tale of an Italian familys struggles as they lived through the horrors of World War II.

Let Her Fly Jul 29 2019 Let Her Fly traces the inspirational journey of Malala Yousafzai's father, Ziauddin, from a boy in Shangla to a man who broke with tradition and proves there are many faces of feminism. With humor and sincerity, Yousafzai describes his life before the Talibanization of Mingora, scenes of his sons Khusal and Atal fighting kites on the roof, his progressive partnership with his wife Toor Pekai, and the challenge of raising children in an unfamiliar country. After Malala was shot by the Taliban, the Yousafzai family was completely uprooted from their home in the Swat Valley and forced to start over in the United Kingdom. Now, Ziauddin expresses the complex pain and joy of his return, six years later, to the site of Malala's attack. Let Her Fly is an intimate family portrait by the father of one of the most remarkable leaders in the world today. Ziauddin and Toor Pakai have set a singular example for parents who hope to empower their children to make a difference. Let Her Fly will resonate with anyone who has ever cared for a child, as Ziauddin Yousafzai shares what he's learned from his children, and what he hopes to teach the world.

The Outsider Aug 10 2020 An unsentimental yet profoundly moving look at one family's experience with mental illness. "A haunting, poignant story of a son's life with, and without, his father. A rare and moving portrait of one of life's major struggles—the devastation created by severe mental illness." —John Oldham, M.D., Director of New York State Psychiatric Institute In 1978, Charles Lachenmeyer was a happily married professor of sociology who lived in the New York suburbs with his wife and nine-year-old son, Nathaniel. But within a few short years, schizophrenia—a devastating mental illness with no known cure—would cost him everything: his sanity, his career, his family, even the roof over his head. Upon learning of his father's death in 1995, Nathaniel set out to search for the truth behind his father's haunted, solitary existence. Rich in imagery and poignant symbolism, *The Outsider* is a beautifully written memoir of a father's struggle to survive with dignity, and a son's struggle to know the father he lost to schizophrenia long before he finally lost him to death. • Recipient of the Kenneth Johnson Memorial Research Library Book Award • Winner of the 2000 Bell of Hope Award

A Journey Through Texas, Or, A Saddle-trip on the Southwestern Frontier Sep 30 2019

Recollections from My Journey Through Life Nov 24 2021 Every person has a story to tell. This is the story of a Bangladeshi who was born one cold December morning in the village of Lostimanika in East Pakistan and went on to traverse the world during the next sixty plus years. It is a story of growing up in the peaceful Hindu-Muslim community of Narayanganj, of a Muslim boy being educated in Catholic schools, and of leaving home to study in the West when he was merely seventeen. That started a fifty-year journey from his homeland to his present home in Canada. Through it all, he lived and worked in six continents and experienced the beauty and diversity as well as the complexities and hardships faced by peoples worldwide. This book is a personal story, a collection of snippets from his eventful journey through life. The author shares many delightful anecdotes, the scary moments that spelt danger, and his occasional brush with death. It is also a story of visits to many historical, cultural, and religious sites, and of learning about man's contribution to humanity. The author has worked with many governments, civil society organizations, academics, the military, and the media under challenging circumstances and often in hazardous environments. It is in the end a story of surmounting all obstacles and of having lived a full and happy life.

Journey to the Father Jul 21 2021 Drexel L. Pope Sr. describes the spiritual journey God has set before the members of His family. When we, through the new birth, become alive unto God in Christ, we are born into His family and become His new creation people. We embark on a faith journey from the depths of this world's despair to the heights of the Father's throne room in heaven. This book will challenge you to mature into the likeness of Christ. It will excite you with God's promise that, as the overcoming bride of Christ, you will one day rule and reign with Him over the whole earth. And it will cause you to join Drexel Pope in his exclamation, "What a journey!"

Journey Through the Bible - A Father's Love for His Children Jan 27 2022 This book is written in the hope that people will gain a better understanding of how and why our Heavenly Father loves His children, the righteous, and the unrighteous. This journey begins in the Book of GENESIS and ends with the Book of REVELATION. This extensively researched study brings to light how those who put their trust and faith in GOD were always treated well; even the wicked would share in the blessings until the LORD decided that enough time had passed for them to change their wicked ways. He would stand to the side while He watched His children make their choices and saw the consequences that would follow. He never left them; in fact, He would wait for them to realize their mistakes and call upon Him and be their Father again. His punishments and anger, which the people brought upon themselves, were meant to teach them that they were wrong to leave His protection and blessings. From GENESIS through REVELATION, His one message has been to love Him and our neighbors. If we do this we shall inherit the blessings promised to us. May this this book encourage you to open your Bible to learn and discuss the many topics found in God's Word.

Der Tag, an dem meine Tochter verrückt wurde Mar 29 2022 Reise in die Tiefen der Seele Michael Greenberg ist Schriftsteller und führt ein mehr oder weniger geordnetes Leben in New York. Doch dann wird seine Tochter krank – und alles ändert sich. Ein heißer Tag in Manhattan. Michael Greenberg sieht, dass ein Polizeiauto vor seinem Wohnhaus parkt. Was er erst später erfährt: Oben sind zwei Polizisten damit beschäftigt, seine von Visionen geschüttelte Tochter zu beruhigen. Dies ist der Beginn eines langen Weges, den er zu gehen hat, um sein Kind in die Wirklichkeit zurückzuholen. "Ich habe das Gefühl zu reisen, aber ohne Möglichkeit zur Umkehr", sagt Sally. Ihr Vater folgt ihr auf dieser "Reise", die sie unter anderem durch die Psychiatrie führt, hin zu einem halbwegs "normalen" Leben.

Papa werden Mar 17 2021 »Papa werden – Die Entstehung des modernen Vaters« überwindet die alten Stereotype der Vaterschaft in einer unterhaltenden und informativen Reise durch die historischen Rollen des Vaters und hilft Ihnen zu entscheiden, was für ein Vater Sie sein wollen. Dies ist ein Buch für alle – für die, die gerade erst Vater werden, und für die, die es schon lange sind. Die evolutionäre Anthropologin Anna Machin erzählt die Geschichte der Vaterschaft von ihren evolutionären Anfängen vor einer halben Million Jahren bis heute und erkundet anhand von neuesten Studien aus der Neurowissenschaft, Genetik, Biologie, Soziologie und Psychologie, was es bedeutet, Vater zu sein, und welche besondere Rolle Väter im Leben ihrer Kinder spielen. Welche Auswirkungen hat die Kenntnis, Vater zu werden, auf den Mann, wie beeinflussen unsere Gene und unsere Erziehung das Verhalten als Vater, wie unterschiedlich ist die Rolle des Vaters in den Gesellschaften der Welt definiert? Dieses erkenntnisreiche und unterhaltsame Buch stellt den Vater in ein völlig neues Licht. Ein unverzichtbares Buch für Väter und Mütter, für die, die ihre Beziehung zu ihrem Vater reflektieren wollen, für angehende Anthropologen und Soziologen, die über diese wichtige Rolle nachdenken, für eine Gesellschaft, in der sich das Vaterbild rasant verändert. Väter sind essenziell und dieses Buch erzählt Ihnen, warum.
