The Holiness of God May 31 2022 R.C. Sproul takes a look at the meaning of holiness and why people are both fascinated and terrified by a holy God. "The Holiness of God" is a profound, moving investigation of the character of God which defines all we are and do as Christians.

The Incarnation of God Jan 27 2022 It's the defining reality of all existence, the central fact of human history, and the heart of the Christian faith: God became a man and lived among us. More than just part of the Christmas story, the doctrine of the incarnation radically affects our understanding of God, humanity, life, death, and salvation. In *The Incarnation of God*, theology professors John Clark and Marcus Johnson explore this foundational Christian confession, examining its implications for the church's knowledge and worship of God. Grounded in Scripture and informed by church history, this book will help Christians rediscover the inestimable significance of the truth that the Son of God became what we are without ceasing to be the eternal God—the greatest mystery of the universe.

The Christian Doctrine of God. One Being Three Persons Jun 27 2019 "Thomas F. Torrance offers a detailed study of the most profound article of the Christian faith--the Holy Trinity. Torrance adopts a holistic approach when examining the interrelatedness of the three persons--Father, Son, and the Holy Spirit--and their dynamic Communion with the Being and Nature of God. Combining immense academic range with his characteristically fresh theological perspective, Torrance builds a significant theological bridge between ancient and modern, as well as between the Roman and Protestant theology; he engages deeply with the Church Fathers and discusses the ontological nature of God. Here Torrance conveys a simple message--the doctrine of the Trinity is the doctrine of God." -- From back cover.

The Finger of God Apr 05 2020 An action-adventure and love story set in Africa. Seventeen-year-old Mal is a bit of a problem child with a Napoleon complex, but when he goes on a school trip to London, he soon learns that there are worse things in the world than humorless teachers and faculty. Much worse, in fact. Instead of enjoying a holiday with his mates in the big city, he's abducted, drugged, and shipped out of the country--first to France, then to Africa. But he's not the only young victim to find himself in this predicament. Along with him is the lovely Harriet, a boy named Phillip, and a girl named Sandra. The foursome quickly develops a tight bond that serves them well against their captors, two sadistic men named Jean and Lopez. As they make their way across the continent, the youngsters endure physical and emotional abuses, plotting their escape all the while. Although salvation eventually comes for Mal, it's not without its price, and the horrors of his African ordeal follow him back to Leeds, haunting him. In the end, the lessons he learns in the wilderness serve him well for his greatest challenge: overcoming lifelong bullying. Batley's narrative instincts keep the page-turning plot engaging. However, that fast pace comes at the expense of nearly everything else. The villains are one-dimensional and predictably (if gruesomely) vile. Batley's narrative instincts keep the page-turning plot. The villains are one-dimensional and predictably (if gruesomely) vile. -Kirkus Reviews Mafia and revenge. It's an exhausting vortex of emotion and intrigue with a few references to black magic. -BlueInk Review If danger and a glimpse at the evil underbelly of mankind were enough to make for an exciting action/adventure novel, *The Finger of God* would earn high honors. The perils that Malcolm encounters are both numerous and horrific. -Clarion Review

Gentle Wind Of God May 07 2020 While many Mennonite churches in mid-20th-century North America tried to maintain their spirituality through orthodoxy and prescribed behavior, missionaries they had sent to East Africa often returned home with a new vision of revival: Walk with Jesus Christ and allow nothing to disturb that relationship. Call sin sin and repent of it quickly, they proclaimed. Then enjoy the infusion of the Holy Spirit in all of life. This book tells the story of how this movement ultimately provided Mennonites and others a way to reignite the smoldering fires of revival. Imbedded in the story is the message of God's redeeming and sanctifying power. The story describes the mystery. It is a mystery of God's grace. It is the mystery that is revealed in every authentic movement of God's Spirit in the world.

Where is God? Jun 19 2021 'Who is God?' becomes 'Where is God?' the shift in a question / Christian Duquoc -- 'Where is God?' the cry of the psalmists / Erhard S. Gerstenberger -- Sickness and the silence of God / Gregory Baum -- The presence and revelation of God in the world of the oppressed / Pablo Richard -- Guilty and without access to God / Andres Tornos -- Death, the ultimate form of God's silence / Pierre de Lochet -- The metaphor of God / Yves Cattin -- No more temple, no place for the spirit : tests for the institutional church / Isabelle Chaireire -- 'We proclaim a crucified messiah' / Jose-Ignacio Gonzalez-Faus -- God sings in the night : ambiguity as invitation to believe / Richard G. Cote.

Escape from God May 19 2021 A philosophical study on the high price of life, love & happiness which probes the significance of pain & suffering. By looking at the complex, demanding & compassionate Christianity that Jesus lived & died for, this text examines why the human experience inevitability encompasses both joy & suffering, disappointment & success, heartbreak & achievement. It details how philosophy, theology & psychology have been twisted & subverted to draw believers away from, instead of closer to, God.

St. Augustine's City of God Oct. 24 2021

Tozer on the Son of God Aug 22 2021 Join A. W. Tozer as He Encounters God the Son Spend a year encountering the Son of God alongside A.W. Tozer. Tozer was a man who abided deeply in Christ and shunned distraction so that he may more fully know his Savior—Jesus Christ. In this 365-day devotional, you too can intentionally pursue Christ daily. Every devotional features God's Word and Tozer's insights that invite you into greater knowledge of Jesus Christ. Encounter the character of Christ, His work on the cross, and His limitless love for you. Let the heart and wisdom of Tozer enrich your own faith and relationship with Christ. With each page, may your heart be filled and your worship increased. Tozer on the Son of God is the final installment in Tozer's Trinitarian devotionals. Know God the Father and God the Spirit, too, in Tozer on the Almighty God and Tozer on the Holy Spirit.

The Glory of God the True Object of Sacred Music. A Sermon [on Chron. Xxix. 1, 5], Etc Aug 10 2020

The Colour of God Apr 17 2021 What does wholeness look like in a world bent on fracturing us from within? At the age of twenty-three, Ayesha removed her face veil to begin her studies in New York City. Braiding together Western, South Asian and Qur'anic storytelling styles, the author illuminates what it means to exist in a world that demands something different from each of her identities. With lyrical prose and scholarly precision, she weaves her personal experiences with incisive social commentary to uncover the meaning of faith and belonging, love and betrayal, family and womanhood. In so doing, she offers us a vision of freedom that isn't measured in fabric.

Towards a Theology of the Concord of God Feb 13 2021 This comprehensive resource explores state-of-the-art advances in the successful deployment and operation of small cell networks. A broad range of technical challenges, and possible solutions, are addressed, including practical deployment considerations and interference management techniques, all set within the context of the most recent cutting-edge advances. Key aspects covered include 3GPP standardisation, applications of stochastic geometry, PHY techniques, MIMO techniques, handover and radio resource management, including techniques designed to make the best possible use of the available spectrum. Detailed technical information is provided throughout, with a consistent emphasis on real-world applications. Bringing together world-renowned experts from industry and academia, this is an indispensable volume for researchers, engineers and systems designers in the wireless communication industry.

The Law of God Mar 05 2020 Throughout the book several principles of existence, which allow understanding how it processes, are presented. Through the various chapters is possible to understand the cycles of life, how it transforms and what the influence of karma is. It is considered as the core element of this work the fact of contributing to the learning of the divine rules and understanding of how they interact constantly in our reality. Therefore, is enunciated a broad set of rules and how they influence the transformation of reality, in a cycle of which we are co-creators. Among others, the topics covered are the positive and negative energy, the change of reality and consciousness, as well as the repetition of the experiences and permanence of emotions in time. Altogether, the various chapters intend to direct to the knowledge of the path of the spirit, its challenges and the way this is all processed in a single plane, as it is our life. It is expected that with the recognition of the values and laws set forth herein, rather than their apprehension, the reader may be able to live a life with greater control and responsibility and thus increase the proportion and magnitude of his happiness, by putting himself in the right way of life, the one which, according to this work, directs towards the creation of the universe and the supreme and universal purpose, also recognized in our material universe as God.

City of God Feb 02 2020 A powerful saga of the rise of the drug trade in the notorious slums of Rio de Janeiro spans three decades, recreating the turbulent times of the sixties that led to all-out street warfare, murder, and rampant drug trafficking by ruthless and brutal gangs, as seen through the eyes of two teenage boys. Original. 35,000 first printing.

House of God Nov 05 2022 Sechs junge Ärzte beginnen vollen Enthusiasmus ihr erstes Klinikjahr im House of God, beseelt von dem Wunsch, Menschen zu helfen und zu heilen. Doch ihre Ideale werden schnell fortgerissen im Strudel ihres rastlosen Alltags. Sie lernen die Schattenseiten der modernen Medizin kennen, werden zynisch, verzweifelt oder gleichgültig. The Grace of God the Cause of Ministerial Excellence and Usefulness: a Sermon [on 1 Cor XV. 10] Occasioned by the Death of the Rev. J. Ely: Together with the Address Delivered at the Interment Sep 22 2021

Das Buch von Gott Sep 03 2022

Holiness, Truth, and the Presence of God Jul 01 2022 To seek and find God is everything. In his forty-three years of seeking after God, Francis Frangipane has learned one simple (yet essential) truth? It is in seeking God, that we actually find Him. The deliberate movement of our hearts toward God leads us into far more than a simple answer to our need?it leads us straight to Him. We discover God to be an ally whose wisdom is all encompassing and whose power can transform all things with just one look. In *I Will Be Found by You* he shares a collection of some of his best writings on the topic?both old and new?to reveal the key to seeking God and possessing a heart after God?the key that unlocks everything important.

Chalice of God Apr 29 2022 Over the course of a distinguished theological career, Aidan Nichols has produced an array of masterful contributions to the fields of systematic theology, ecclesiology, theological aesthetics, ecumenism, liturgy, and Scripture. Now, in *Chalice of God*, he attempts to synthesize a lifetime of research, teaching, and scholarly reflection in a book that is both rigorously academic and intensely personal. This is Nichols' theological manifesto for the twenty-first century. Drawing together the insights of high scholasticism, the mid-twentieth-century ressourcement movement, a holistic reading of Scripture typical of the best patristic exegesis, and the liturgical tradition and iconography of both East and West, he presents a sound architecture for contemporary Catholic theology. *Chalice of God* promises to enrich and challenge those who engage in the enterprise of theology for years to come.

The Signature of God/the Handwriting of God Nov 24 2021 Are the Scriptures truly the word of God? Can they be trusted? "Yes!" declares Bible prophecy expert Grant Jeffrey, and these two bestsellers he amasses an amazing quantity of evidence to demonstrate it. The Signature of God argues that God has indeed revealed Himself in the pages of the Bible through a staggering number of divine proofs: the incredible precision of prophecies fulfilled, ancient inscriptions that validate the Exodus events, the name of Jesus encoded in the Old Testament, and much more. In *The Handwriting of God*, Jeffrey unveils the truth about the controversial "Bible codes" while revealing new code discoveries hidden in the Scriptures. Throughout, he shows that though the Bible was written thousands of years ago, it still speaks reliably and authoritatively to modern man. Comprehensive and convincing, this two-in-one collection is a must-have for every concerned believer.

The 99 Beautiful Names for God for All the People of the Book Jul 21 2021 In a bridge-building exercise between Christians, Muslims, and other people of the book, David Bentley traces the Semitic pre-Islamic origins of Islam's 99 names of God. He points the reader to Old Testament counterparts of these names as well as to Jesus comparable representations of Himself."

The Misunderstood God Jun 07 2020 THE MISUNDERSTOOD GOD tells the truth about who the Creator is. This book analyzes what religion says about God's heart and personality and measures it up to what God calls Himself: Love. It simplifies a generation's tangled perceptions of God by taking a journey through the sixteen aspects of love described in one of the most well-known Bible passages in the world: 1 Corinthians 13, also known as "the love chapter." So many Christians have been bombarded with confusing teachings and doctrines that their understanding of God resembles a tightly tangled ball of Christmas tree lights. This book takes that twisted mess and replaces it with one soft, warm light of truth that anyone can embrace: God is love.

Wasting Time with God Aug 29 2019 Wasting Time with God Klaus ISSLER considers seven character traits and companion disciplines to develop in light of God's friendship with us in order to help us make more room in our lives for Him.

Psalms 119 Oct 31 2019 Psalm 119 is the longest chapter in God's Word and is filled with encouragement to rejoice in the good times and persevere during difficult times. For twenty-two days, you can take a journey with the psalmist and learn how to live life in God's strength. The transformation in your life will make the journey worth it. Psalm 119 is broken out into twenty-two sections with eight verses each. This book uses these sections as daily devotions/meditations/thoughts to highlight one specific theme. The intent is for the reader to use this as a daily quiet time while staying within the context of the entire psalm for one month of working days. This will help ignite the discipline of reading and studying God's Word daily and meditating upon its meaning. Regardless of who the original author of this psalm was, it is quite apparent that he was very passionate about God's Word. He was not interested in robotic religion or mechanical obedience. Rather, he surrendered his whole heart and soul to God, the one who made heaven and earth and gave humanity the perfect law to follow. May this book be used as a tool for you to attain a delight in knowing, loving and serving the Lord with all of your heart, soul, mind, and strength.

I Will Be Found By You Mar 17 2021 To seek and find God is everything. In his forty-three years of seeking after God, Francis Frangipane has learned one simple (yet essential) truth... It is in seeking God, that we actually find Him. The deliberate movement of our hearts toward God leads us into far more than a simple answer to our need--it leads us straight to Him. We discover God to be an ally whose wisdom is all encompassing and whose power can transform all things with just one look. In *I Will Be Found by You* he shares a collection of some of his best writings on the topic, both old and new, to reveal the key to seeking God and possessing a heart after God--the key that unlocks everything important.

The Search for the Truth of God Feb 25 2022

To God the Glory Aug 02 2022 In the words and teachings of Jesus, TO GOD THE GLORY is a divinely inspired message revealing how His great love is being poured out in abundance and can, if man will accept it, change his life and lead him into His Kingdom. "Behold, I, Jesus Christ, the Alpha and Omega, the Beginning and the End, the Great Amen, have commanded Annalee Skarin to write these, my words, and to send them forth unto the ends of the earth, that, you, who know my voice might be prepared to enter into the New Day--that you might be purified even as I Am pure. For this is my commandment unto you, and I give no commandment save I prepare the way for its fulfillment. "This work is given that all my holy promises might begin to be made manifest in very deed, yea, that they might begin to be fulfilled in you, for the time is at hand, even the great day of preparation, the day of Almighty God the Father."--Annalee Skarin

Stealing from God Jan 03 2020 If you think atheists have reason, evidence, and science on their side, think again! Award-winning author Dr. Frank Turek (I Don't Have Enough Faith to be an Atheist) will show you how atheists steal reason, evidence, science, and other arguments from God in trying to make their case for atheism. If that sounds contradictory, it's because it is! Atheists can't make their case without appealing to realities only theism can explain. In an engaging and memorable way, *Stealing from God* exposes these intellectual crimes atheists are committing and then provides four powerful reasons for why Christianity is true.

The Hospitality of God Nov 12 2020 Luke portrays the life and ministry of Jesus as a divine "visitation" to the world, seeking hospitality. The One who comes as visitor and guest becomes host and offers a hospitality in which the entire world can become truly human, be at home, and know salvation in the depths of their hearts. In this new edition of *The Hospitality of God*, Brendan Byrne, SJ, provides to-the-point commentary on those parts of Luke's gospel that bring

home to people a sense of the extravagance of God's love for them. The Hospitality of God approaches Luke's gospel through the interpretive key of "hospitality." It looks at the gospel as a whole, yet lingers upon scenes where the theme of hospitality is particularly prominent, such as the infancy stories, Jesus at Nazareth, Jesus in the house of Simon, the Good Samaritan, Martha and Mary, the banquet in 14:1-35, the Prodigal Son, Jesus' visit to the tax collector Zacchaeus, the institution of the Eucharist, and the Emmaus event. This revised edition includes a new introductory chapter titled "Features of Luke," which includes distinctive themes and motifs of the gospel that invite all to join in the life-giving hospitality of God. This revised edition is an excellent resource for students, teachers, and pastors interested in Luke's gospel or in search of a helpful perspective for pastoral and homiletic reflection and preparation.

The Fist of God Jul 09 2020 From the bestselling author of *The Day of the Jackal*, international master of intrigue Frederick Forsyth, comes a thriller that brilliantly blends fact with fiction for one of this summer's—or any season's—most explosive reads! From the behind-the-scenes decision-making of the Allies to the secret meetings of Saddam Hussein's war cabinet, from the brave American fliers running their dangerous missions over Iraq to the heroic young spy planted deep in the heart of Baghdad, Forsyth's incomparable storytelling skill keeps the suspense at a breakneck pace. Somewhere in Baghdad is the mysterious "Jericho," the traitor who is willing—for a price—to reveal what is going on in the high councils of the Iraqi dictator. But Saddam's ultimate weapon has been kept secret even from his most trusted advisers, and the nightmare scenario that haunts General Schwarzkopf and his colleagues is suddenly imminent, unless somehow, the spy can locate that weapon—*The Fist of God*—in time. Peopled with vivid characters, brilliantly displaying Forsyth's incomparable, knowledge of intelligence operations and tradecraft, moving back and forth between Washington and London, Baghdad and Kuwait, desert vastnesses and city bazaars, this breathtaking novel is an utterly convincing story of what may actually have happened behind the headlines.

Embracing the Love of God Jan 15 2021 Unfortunately, in today's world many people fail to experience the freedom and healing power of God's grace. Even Christians too often experience judgement, rather than the love that is the vital essence of Christian life. A visionary guide in the spirit of *Celebration of Discipline*, *Embracing the Love of God* calls Christians back to the basics -- to understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs. Here James Bryan Smith launches readers on a revitalizing spiritual journey. He distills the basic principles of Christian love and provides a new model for relationship with God, self, and others that is based not on fear and judgement, but rather on acceptance and care. Smith's moving insights illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day. For both new Christians and those desiring renewal, *Embracing the Love of God* offers hope, peace, and guidance for spiritual growth.

The Story of God, the Story of Us Oct 04 2022 Travel with Sean Gladding between the lines of the Scriptures to listen to the conversations of people wrestling with the Story of God for the first time. Whether by campfire in Babylon, at table in Asia Minor or by candlelight in Rome, you'll hear a tale that is at once familiar and surprising.

From Eternity to Here Dec 26 2021 Discover the sweeping story of God's eternal plan. Deep within God's Word lies a wondrous story like no other. A drama that unfolded before time began. An epic saga that resonates with the heartbeat of God. A story that reveals nothing less than the meaning of life and God's great mission in the earth. From *Here to Eternity* presents three remarkable stories spanning from Genesis to Revelation. Each story traces a divine theme that is woven throughout scripture. Seen together, they offer an extraordinary glimpse into God's highest passion and grand mission. What you discover will forever change your view of life, the church, and our magnificent God.

Act of God Jul 29 2019 It's the summer of 2015, Brooklyn, and the city is sweltering from another record-breaking heat wave, this one accompanied by biblical rains. Edith, a recently retired legal librarian, and her identical twin sister, Kat, have discovered something ominous in their hall closet: it's shaped like a mushroom, it's phosphorescent, and it's rapidly consuming their wall. But that's only the beginning ... Part suspense, part screwball comedy, Jill Ciment's brilliant novel looks at what happens when our lives—so seemingly set and ordered—break down in the wake of calamity.

Talking with Your Kids about God Oct 12 2020 Christian parenting is hard work—and it's getting harder. Parents have a deep desire to pass on their faith, but fear that today's increasingly skeptical and hostile world will eventually lead their kids to reject the truth of Christianity. That leaves many parents feeling overwhelmed—uncertain of what they can do to help their children, given the difficulty and extent of the faith challenges they will face. This practical and timely resource gives parents the confidence of knowing what to discuss with their children and how to discuss it in order to facilitate impactful conversations that will form the basis of a lifelong faith. In a friendly, parent-to-parent voice, Natasha Crain identifies 30 specific conversations about God that parents must have with their children, organizing them under the categories of - the existence of God - science and God - the nature of God - believing in God - the difference God makes. Chapters are sequenced in a curriculum-oriented way in order to provide a cumulative learning experience. Content is readily adaptable for use with kids of any age (elementary through high school).

The Word of God Sep 10 2020 The word of God is the acknowledged basis for the salvation of men. It was brought to the worshippers of God by Jesus so that they may be guided in their ways in interacting with anyone on earth oneself, God, other men, temptations, wealth, values, etc. By being righteous in their ways, men may be given life after their earthly death and become parts of the kingdom of God. The truth is well inculcated in the messages in the life of Jesus " the Christ " and in the words of the Old Testament. The relationship of these documents can be derived with careful reflections. The book is a verse-by-verse interpretation of the gospel according to Matthew, the disciple of Jesus. It is very different from conventional interpretations because it considers the figurative aspect of the gospel of God. Using this approach, the book will lead to some surprising implications. At first glance, the book may seem to be mainly religious. However, a more thorough observation will reveal that it is rather more philosophical, and it is actually seeks an audience in all men, regardless of faith and nationality. The book was made with the benevolent purpose of encouraging man to look for the truth in the gospel as it can serve as a good starting point in men to inspire them to seek their more important goal in life - salvation. For those who are not worshippers of God, the author believes that the same essence of the truth also presents itself in their own religions. They only need to look for it within themselves. In effect, this book could fire up the urgency in all men to look at the other side of their life - regardless of their beliefs. The book is an enigma. Some topics can become disagreeable, but these are justified by meticulous searches for the rationale of the words within the Bible itself. The main problem in most of the present beliefs relies on their gross misinterpretation of the messages of God. In effect, men cannot assume the proper acts and means that bring pleasure to God. Ironically, these misinterpretations usually originated from the opinions generated by men who had considered God in very high regard. However, these same men are usually blinded by their high personal praises to God that they overlook the thoughts of God himself. Worse, they may blindly consider themselves as more favorable to God than other men that they generated their own personal opinions to be made as working doctrines and traditions in the lives of men. The combination of these doctrines and the indifference to the thoughts of God in the long religious history of man had led to a great deception threatening the very existence of man himself. Several points might become controversial. Some of them may result to significant disputes. However, the most important points of the book are not based on arguments, as the author does not seek conflict with anybody. The points of conflict should not deter men from seeking salvation during their trials on earth. Rather, the real good of this book rests on motivating men to return to the favor of God, as it serves as a revelation to the necessity of the divine truth in men. In fact, the real essence of the books lies in the most important point it is trying to convey - the love and the will of God for men.

Listening For God Mar 29 2022 A respected African-American woman preacher offers a stirring chronicle of her personal crisis of faith, giving prayers and meditations that can restore spiritual belief and showing how faith has a clear place in the day-to-day world. Reprint. 20,000 first printing.

The Son of God Dec 14 2020 These books are written to all who are in search for the almighty God whom we do not know or see, but whom we have rather heard about from our fathers and forefathers and read about in our religious textbooks!!! Yet, it is impossible to believe and love God if we do not know him! We can hardly know ourselves!!! And the mystery keeps getting bigger: Who is this God? Is he the same one to all? And if he is, why all the confusion and misunderstandings? Did he really create us for suffering on purpose, and if not, what is the "Origin of it all"?

The Oneness and Simplicity of God Sep 30 2019 That YHWH is numerically one is foundational to the theology of the Hebrew Bible. Christian theologians historically have affirmed that there is a more fundamental type of oneness attributable to God. God is one not merely in the sense of being the only God, but also in the sense of being simple or non-composite, having no parts of any kind. In this way, God is said to be an absolute unity. After a consideration of all the evidence, Barry D. Smith reaches the conclusion that there is no basis for ascribing simplicity to God. The simplicity doctrine is not found in Scripture and the traditional arguments used to establish it are unconvincing. In addition, the recent defenses of the simplicity doctrine prompted by Alvin Plantinga's work *Does God Have a Nature?* are unsuccessful. It should not be thought, however, that the rejection of divine simplicity means that by default God must be conceived as composite, not even as a perfect composite with maximally great, God-making properties. Rather, there is a third option: God should not be conceived as either simple or composite. The question of in which mode God has attributes or exemplifies properties should be set aside.

Discerning the Voice of God Dec 02 2019 Having a hard time knowing what God is saying versus what others are saying? This Bible study from author and speaker Shirer is designed to help participants know the voice of God: His language, character, and tone of voice. Now fully updated and revised.
