**Hamlet and Narcissus** Sep 26 2019 "Since Ernest Jones published Hamlet and Oedipus in 1949, psychoanalytic thinking has changed profoundly. This change, however, has not yet been adequately reflected in Shakespeare scholarship. In Hamlet and Narcissus, John Russell confronts the paradigm shift that has occurred in psychoanalysis and takes steps to formulate a critical instrument based on current psychoanalytic thinking. In his introduction, Russell clarifies Freud's assumptions concerning human motivation and development and then discusses, as representative of the new psychoanalytic paradigm, Margaret Mahler's theory of infant development and Heinz Kohut's theory of narcissism. Using these theories as his conceptual framework, Russell proceeds to analyze the action of Hamlet, focusing on the play's central problem, Hamlet's delay." "Previous psychoanalytic approaches to Hamlet have failed convincingly to explain the cause of Hamlet's delay because they failed to recognize the profound connection between Hamlet's pre-Oedipal attachment to his mother and his post-Oedipal allegiance to his father. By placing Hamlet's conflict with his parents in the new psychoanalytic framework of narcissism, Russell is able to show that Hamlet's post-Oedipal allegiance to his father and his pre-Oedipal attachment to his mother are driven by the same archaic and illusory needs. Though on the surface seeming to contradict one another, at bottom Hamlet's two attachments, to mother and to father, complement one another and work together to produce in Hamlet a conflicted ambivalence that propels him to his self-induced destruction. By clarifying the origin and effects of Hamlet's archaic narcissism, Russell is able to solve the problem of Hamlet's delay and forge a new and fruitful instrument of literary criticism."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved *Hamlet: The Texts Of 1603 And 1623* Aug 25 2019 This volume gives readers the First Quarto text of 1603 and the Folio Text of 1623, modernised and edited to the usual Arden standard. As a companion to the Second Quarto volume, it will be of particular interest to scholars and students of textual history, or to anyone studying Hamlet at an advanced level. Both plays are edited and annotated and the introduction contains the fullest available stage history of the First Quarto text.

*Hamlet, Prinz von Dänemark / Hamlet, Prince of Denmark - Zweisprachige Ausgabe (Deutsch-Englisch) / Bilingual edition (German-English)*Jul 29 2022

**Hamlet** Jun 03 2020 From the Royal Shakespeare Company – a modern, definitive edition of Shakespeare's most celebrated play. With an expert introduction by Sir Jonathan Bate, this unique edition presents a historical overview of Hamlet in performance, takes a detailed look at specific productions, and recommends film versions. Included in this edition are interviews with three leading directors –Michael Boyd, John Caird and Ron Daniels – providing an illuminating insight into the extraordinary variety of interpretations that are possible. This edition also includes an essay on Shakespeare's career and Elizabethan theatre, and enables the reader to understand the play as it was originally intended – as living theatre to be enjoyed and performed. Ideal for students, theatre-goers, actors and general readers, the RSC Shakespeare editions offer a fresh, accessible and contemporary approach to reading and rediscovering Shakespeare's works for the twenty-first century.

*Fürchtet euch* Jun 27 2022 »Ein Roman von geradezu hypnotischer Stärke – zutiefst erschütternd und großartig erzählt.« The New York Times In Marshall, einem abgeschiedenen Ort in den Bergen North Carolinas, geschieht an einem heißen Sommertag das Unfassbare. Der dreizehnjährige Christopher Hall kommt während der Abendmesse ums Leben. Der Junge hat noch nie ein Wort gesprochen. Deshalb sollte er an diesem Sonntag in der Kirche »geheilt« werden. Niemand aus der Gemeinde will sich zum Tod des Jungen äußern. Auch der charismatische Prediger Carson Chambliss, der selbsternannte Erlöser im Ort, schweigt zu dem Vorfall. Was jedoch keiner in Marshall ahnt: Christophers jüngerer Bruder Jess hat das Geschehen in der Kirche an dem Tag, als sein Bruder starb, von außen beobachtet. Und Jess weiß, was er gesehen hat. Er weiß auch, was Christopher und er nur wenige Tage zuvor in ihrem Elternhaus gesehen haben. Als Jess sein Wissen teilt, spitzt sich die Situation zu, und es kommt zur Katastrophe. New York Times Bestseller Von Kirkus Reviews und Library Journal zum besten Roman 2012 gewählt Ausgezeichnet mit dem Dagger Award für den besten Debütroman

**HAMLET (Zweisprachige Ausgabe: Deutsch-Englisch)** Jul 17 2021 The Wheels of Chance is an early comic novel about an August 1895 cycling holiday. The Wheels of Chance was written at the height of the cycling craze (1890-1905), when practical, comfortable bicycles first became widely and cheaply available and before the rise of the automobile. The advent of the bicycle stirred sudden and profound changes in the social life of England. Even the working class could travel substantial distances, quickly and cheaply, and the very idea of travelling for pleasure became a possibility for thousands of people for the first time. This new freedom affected many. It began to weaken the rigid English class structure and it gave an especially powerful boost to the existing movement toward female emancipation. Wells explored these social changes in his story. Herbert George Wells (1866-1946), known as H. G. Wells, was a prolific English writer in many genres, including the novel, history, politics, and social commentary, and textbooks and rules for war games.

**Hamlet Closely Observed** Jan 11 2021 A major interpretative account of Shakespeare's play, this is a close scrutiny which will engage readers directly with the text and performance of the work. The Renaissance code of honor is seen to be of central importance to the character of the hero, his actions, and to the play as a whole; and, viewed in this light, there is fresh revelation of the character of Hamlet himslef and of the dramatic world of which he is a part. Mr. Dodsworth challenges the conventional and traditional reading of Hamlet at many points. But he enforces no single overall meaning and readers are encouraged to remain sensitive to their own individual understanding and response.

**The Klingon Hamlet** May 03 2020 An astonishing effort on the part of the leading Klingon scholars of today, telling a story of blood, honour and vengeance in true Klingon tradition. With the English-language version printed on the left and the Klingon on the right, this best-known of Shakespeare's plays, a tour-de-force of Elizabethan theatre, can now be read and understood in the great warrior tongue even by non-Klingon speakers. As General Chang (Christopher Plummer) was heard to remark in the movie Star Trek IV: The Undiscovered Country: "Shakespeare is better in the original Klingon." Building on the groundwork of linguist Marc Okrand, author of The Klingon Dictionary, who constructed a fully spoken language out of what began as little more than a background prop, the Klingon Language Institute in Flourtown, Pennsylvania, is dedicated to the study and teaching of Klingon as a living tongue. Translating the great works of literature, Hamlet among them, is central to their philosophy of education and discovery.

**Chicken Processing Plant Fires; Hamlet, North Carolina and North Little Rock, Arkansas**Apr 25 2022

**The Masks of Hamlet** Oct 08 2020 Hamlet's challenge: "You would pluck out the heart of my mystery - " Yes, we would. If we could. We can but try; and the best way to begin, this book suggests, is to share what distinguished actors, scholars, and critics have gleaned; and thus enriched by their experience forage in the text and come to know the play personally, intimately. Again and again Mr. Rosenberg will insist that only the individual reader or actor can determine Shakespeare's design of Hamlet's character - and of the play. More, the reader, to interpret Hamlet's words and actions at the many crises, needs to double in the role of actor, imagining the character from the inside as well as observing it from the outside. So every reader is deputed by the author to be an actor-reader, invited to participate within Hamlet's mystery. The critical moments are examined, the options and ambiguities discussed, and the decisions left to individual judgment and intuition. The mysteries of other major characters are similarly approached. What terrible sin haunts Gertrude, that she never confesses? What agonies hide behind Claudius' smile? Does Ophelia truly love Hamlet? Does she choose madness? What are Polonius' masked motives, as in using his daughter for bait for Hamlet? With how much effort must Laertes repress the conscience that finally torments him? Only the actor-reader can know. And the mystery of the play itself: by what magic did Shakespeare interweave poetic language, character, and stage action to create a drama that for centuries has absorbed the attention and admiration of readers and theatre audiences on every continent in the world? The reader-actor will find out. To prepare the actor-reader for insights, Mr. Rosenberg draws on major interpretations of the play worldwide, in theatre and in criticism, wherever possible from the first known performances to the present day. He discusses evidences of Hamlet's experience in Armenia, Austria, Belgium, Bulgaria, Canada, China, Czechoslovakia, Denmark, Estonia, Finland, France, Germany, Greece, Holland, Hungary, India, Ireland, Israel, Italy, Japan, Korea, Norway, Poland, Romania, Russia, South Africa, South America, Sweden, Turkey, the United Kingdom, the United States, and Yugoslavia. Theatres from a number of these countries provided the author with videotapes of their Hamlet performances; his study of these, and of films and recordings, and of a number of modern stagings in America and abroad, deepened his sense of the play, as did interviews with actors and directors, and insights sent to him by colleagues and friends from throughout the world. Mr. Rosenberg followed one Hamlet production through rehearsals to performance, for personal experience of the staging of the play he discusses, as he did in his earlier books, The Masks of Othello, The Masks of King Lear, and The Masks of Macbeth . And as with the latter two studies, he came upon further illuminations of Shakespeare's art by exposing Hamlet to "naive" spectators who had never read or seen the play.

*The Tragedy of Hamlet* Jan 29 2020

**Hamlet** Jul 25 2019 Hamlet is one of Shakespeare's four great tragedies, studied and performed around the world. This new volume in Shakespeare: The Critical Tradition increases our knowledge of how Shakespeare's plays were received and understood by critics, editors and general readers. It traces the course of Hamlet criticism, from the earliest items of recorded criticism to the latter half of the Victorian period. The focus of the documentary material is from the late 18th century to the late 19th century. Thus the volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century. The introduction constitutes an important chapter of literary history, tracing the entire critical career of Hamlet from the beginnings to the present day. The volume features criticism from leading literary figures, such as Henry James, Anna Jameson, Victor Hugo, Thomas Carlyle, Samuel Taylor Coleridge and Mary Cowden Clarke. The chronological arrangement of the text-excerpts engages the readers in a direct and unbiased dialogue, whereas the introduction offers a critical evaluation from a current stance, including modern theories and methods. Thus the volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century.

**Hamlet** Mar 01 2020 William Shakespeare's Hamlet is probably the best-known and most commented upon work of literature in Western culture. The paradox is that it is at once utterly familiar and strangely elusive--very like our own selves, argues Gabriel Josipovici in this stimulating

and original study. Moreover, our desire to master this elusiveness, to "pluck the heart out of its mystery," as Hamlet himself says, precisely mirrors what is going on in the play; and what Shakespeare's play demonstrates is that to conceive human character (and works of art) in this way is profoundly misguided. Rather than rushing to conclusions or setting out a theory of what Hamlet is "about," therefore, we should read and watch patiently and openly, allowing the play to unfold before us in its own time and trying to see each moment in the context of the whole. Josipovici's valuable book is thus an exercise in analysis which puts the physical experience of watching and reading at the heart of the critical process--at once a practical introduction to a great and much-loved play and a sophisticated intervention in some of the key questions of theory and aesthetics of our time.

**Shakespeare's Hamlet** Mar 25 2022

**The Hamlet Fire** Sep 30 2022 "Captivating and brilliantly conceived. . . [The Hamlet Fire] will provide readers with insights into our current national politics." —The Washington Post A "gifted writer" (Chicago Tribune) uses a long forgotten factory fire in small-town North Carolina to show how cut-rate food and labor have become the new American norm For decades, the small, quiet town of Hamlet, North Carolina, thrived thanks to the railroad. But by the 1970s, it had become a postindustrial backwater, a magnet for businesses searching for cheap labor with little or almost no official oversight. One of these businesses was Imperial Food Products. The company paid its workers a dollar above the minimum wage to stand in pools of freezing water for hours on end, scraping gobs of fat off frozen chicken breasts before they got dipped in batter and fried into golden brown nuggets and tenders. If a worker complained about the heat or the cold or missed a shift to take care of their children or went to the bathroom too often they were fired. But they kept coming back to work because Hamlet was a place where jobs were scarce. Then, on the morning of September 3, 1991, the day after Labor Day, this factory that had never been inspected burst into flame. Twenty-five people—many of whom were black women with children, living on their own—perished that day behind the plant’s locked and bolted doors. Eighty years after the Triangle Shirtwaist Fire, industrial disasters were supposed to have been a thing of the past. After spending several years talking to local residents, state officials, and survivors of the fire, award-winning historian Bryant Simon has written a vivid, potent, and disturbing social autopsy of this town, this factory, and this time that shows how cheap labor, cheap government, and cheap food came together in a way that was bound for tragedy.

**The Tragedy of Hamlet, Prince of Denmark** Nov 28 2019 George Lyman Kittredge’s insightful editions of Shakespeare have endured in part because of his eclecticism, his diversity of interests, and his wide-ranging accomplishments, all of which are reflected in the valuable notes in each volume. These new editions have specific emphasis on the performance histories of the plays (on stage and screen). Features of each edition include: The introduction to the original Kittredge Edition Editor’s Introduction to the Focus Edition. An overview on major themes of the plays, and sections on the play’s performance history on stage and screen. Explanatory Notes. The explanatory notes either expand on Kittredge’s superb glosses, or, in the case of plays for which he did not write notes, give the needed explanations for Shakespeare’s sometimes demanding language. Performance notes. These appear separately and immediately below the textual footnotes and include discussions of noteworthy stagings of the plays, issues of interpretation, and film and stage choices. How to read the play as Performance Section. A discussion of the written play vs. the play as performed and the various ways in which Shakespeare’s words allow the reader to envision the work "off the page." Comprehensive Timeline. Covering major historical events (with brief annotations) as well as relevant details from Shakespeare’s life. Some of the Chronologies include time chronologies within the plays. Topics for Discussion and Further Study Section. Critical Issues: Dealing with the text in a larger context and considerations of character, genre, language, and interpretative problems. Performance Issues: Problems and intricacies of staging the play connected to chief issues discussed in the Focus Editions’ Introduction. Select Bibliography & Filmography Images from major productions, for comparison and scene study.

**Hamlet** Jan 23 2022 "In 'Hamlet' gibt es viele Fragen: die Politik, die Gewalttätigkeit und die Moral, den Streit um die Übereinstimmung von Theorie und Praxis, um die letzten Dinge und den Sinn des Lebens; 'Hamlet' ist eine Tragödie der Liebe, der Familie, des Staates, es ist eine philosophische, eschatologische und metaphysische Tragödie. Alles, was ihr wollt!" (Jan Kott) Ungekürzte und unbearbeitete Textausgabe in der Originalsprache, mit Übersetzungen schwieriger Wörter, Nachwort und Literaturhinweisen. Verszählung wie in der gedruckten Ausgabe aus Reclams Roter Reihe.

*Hamlet* Apr 01 2020 The Access to Shakespeare edition of Hamlet offers a way to read and study the drama without distracting footnotes. Each page of the play is paired with a modern English translation that parallels the original, line for line. It breaks down the linguistic barriers so you can sort out the truth from the lies and determine the right course of action?just as Shakespeare?s first audience did. Witness the swirling conflicts between duty and conscience, love and remembrance, and revenge and justice with ease. For an even better experience, use this edition alongside the Hamlet Manual.

**The Hamlet Fire** Nov 01 2022 For decades, the small, quiet town of Hamlet, North Carolina, thrived thanks to the railroad. But by the 1970s, it had become a postindustrial backwater, a magnet for businesses in search of cheap labor and almost no oversight. Imperial Food Products was one of those businesses. The company set up shop in Hamlet in the 1980s. Workers who complained about low pay and hazardous working conditions at the plant were silenced or fired. But jobs were scarce in town, so workers kept coming back, and the company continued to operate with impunity. Then, on the morning of September 3, 1991, the never-inspected chicken-processing plant a stone's throw from Hamlet's city hall burst into flames. Twenty-five people perished that day behind the plant's locked and bolted doors. It remains one of the deadliest accidents ever in the history of the modern American food industry. Eighty years after the Triangle Shirtwaist Fire, industrial disasters were supposed to have been a thing of the past in the United States. However, as award-winning historian Bryant Simon shows, the pursuit of cheap food merged with economic decline in small towns across the South and the nation to devalue laborers and create perilous working conditions. The Hamlet fire and its aftermath reveal the social costs of antiunionism, lax regulations, and ongoing racial discrimination. Using oral histories, contemporary news coverage, and state records, Simon has constructed a vivid, potent, and disturbing social autopsy of this town, this factory, and this time that exposes how cheap labor, cheap government, and cheap food came together in a way that was destined to result in tragedy.

**Hamlet's Arab Journey** Apr 13 2021 For the past five decades, Arab intellectuals have seen themselves in Shakespeare's Hamlet: their times "out of joint," their political hopes frustrated by a corrupt older generation. Hamlet's Arab Journey traces the uses of Hamlet in Arabic theatre and political rhetoric, and asks how Shakespeare's play developed into a musical with a happy ending in 1901 and grew to become the most obsessively quoted literary work in Arab politics today. Explaining the Arab Hamlet tradition, Margaret Litvin also illuminates the "to be or not to be" politics that have turned Shakespeare's tragedy into the essential Arab political text, cited by Arab liberals, nationalists, and Islamists alike. On the Arab stage, Hamlet has been an operetta hero, a firebrand revolutionary, and a muzzled dissident. Analyzing productions from Egypt, Syria, Iraq, Jordan, and Kuwait, Litvin follows the distinct phases of Hamlet's naturalization as an Arab. Her fine-grained theatre history uses personal interviews as well as scripts and videos, reviews, and detailed comparisons with French and Russian Hamlets. The result shows Arab theatre in a new light. Litvin identifies the French source of the earliest Arabic Hamlet, shows the outsize influence of Soviet and East European Shakespeare, and explores the deep cultural link between Egypt's Gamal Abdel Nasser and the ghost of Hamlet's father. Documenting how global sources and models helped nurture a distinct Arab Hamlet tradition, Hamlet's Arab Journey represents a new approach to the study of international Shakespeare appropriation. Some images inside the book are unavailable due to digital copyright restrictions.

**Hamlet Without the Potholes** Oct 27 2019 The series "Shakespeare Without the Potholes" is intended to provide updated versions of all of the 37 generally recognized plays of William Shakespeare. The series makes the plays more accessible to students encountering Shakespeare for the first time; it provides an easier reading experience by modernizing some of the outdated vocabulary and grammar, and by revising many of the more difficult passages that in the original can be understood, if at all, only by careful scanning of a footnote, and sometimes not even then. The alterations retain the meter and maintain almost all of the poetic substance. Reading one of Shakespeare's plays is like driving down a broad and beautiful highway lined with gorgeous sights, observing, as one passes, the wide range of human types and situations; but unfortunately the road is marred by potholes small and large -- archaic words, phrases and grammar, words whose meanings have migrated during the course of 400 years, and passages that are difficult or impossible to comprehend. Sometimes these involve mythological references, or references to customs that an Elizabethan would be familiar with, but to a modern reader are largely unintelligible. Many students who embark on the trip do not complete it, or else vow never to undertake another. There are four alternatives -- driving straight through, but the drive is then a bumpy one; detouring around each pothole by consulting a footnote, but the drive is then full of distractions; filling in the potholes oneself by becoming erudite in Elizabethan grammar, vocabulary, mythology, customs and circumstances, but the drive is then laborious; or using the services of a pothole-fixer, who may indeed use asphalt instead of concrete, but who attempts to provide a smooth, continuous and pleasant journey. The latter is the task this series undertakes. In the more famous or the more soaring speeches a lighter hand is used, sometimes retaining archaic contractions ("Tis nobler in the mind ...). Such words as thou, thee, thy, thine have mostly been replaced by modern counterparts. There are many individual words that have shifted meaning in the 400 years since Shakespeare wrote his masterpieces. Some have developed a meaning nearly the opposite of the original - for example, in Elizabethan days, 'merely' meant 'utterly' or 'totally'; 'timeless' meant 'untimely'; 'presently' usually meant 'at once'. "I shall attend his majesty presently" does not mean "I'll be there in a little while", but rather "I'm on my way". Other words have shifted their meanings somewhat less, but quite enough to induce puzzlement - 'approve' meaning 'prove'; 'modern' meaning 'commonplace'. Such variations in meaning contribute to a bemused reaction on the part of the uninformed reader - a sense that while he or she may understand the gist of the play, there are some strange things being said that don't seem to compute. With small potholes, the sense of not quite understanding can exist just under the conscious level; one is distressed by the dim intuition that something has been missed, even while the eye skims over troublesome passages without focusing on what is being misunderstood. But there are also massive potholes (some of which may be the result of copying errors in the 17th century), that feel more like hitting a brick wall. Consider "He that a fool doth very wisely hit Doth very foolishly, although he smart, Not to seem senseless of the bob. If not, The wise man's folly is anatomized E'en by the squandering glances of the fool." -- As You Like It, Act 2, Scene 7 Once having figured out who is 'hitting' whom (the fool is doing the gibing, though the rules of Elizabethan grammar would seem to allow for either), some readers might be able to parse this passage after a few passes, making reasonable gu

*Essential Shakespeare: An Introduction to The Tragedy of Hamlet, Prince of Denmark* Jun 23 2019 Allan A. Zarbock offers young readers a user friendly version of William Shakespeare's HAMLET. And let me speak to the yet unknowing world How these things came about. So shall you hear Of carnal, bloody, and unnatural acts, Of accidental judgments, casual slaughters, Of deaths put on by cunning and forced cause, And, in this upshot, purposes mistook Fall'n on the inventors' heads, all this can I Truly deliver.

*Gallerie zu Shakspeare's dramatischen Werken: Hamlet & v. 2. Macbeth* Dec 22 2021

**Hamlet on the Couch** Sep 06 2020 Hamlet on the Couch weaves a close reading of Shakespeare’s Hamlet with a large variety of contemporary psychoanalytic and psychological theory, looking at the interplay of ideas between the two. Hamlet can be read almost as a psychoanalytic case study and be used to understand and illustrate a range of core psychoanalytic concepts. Covering such basic psychoanalytic concepts as identity, transference and countertransference, the ‘good-enough’ mother, the compulsion to repeat and the death instinct, James E. Groves shows how

Hamlet can shed new light on understanding psychoanalytic theory, and how psychoanalysis can in turn enrich our understanding of Shakespeare's work. Perhaps the most radical feature of psychoanalysis is its tradition of self-examination. Mirroring it, the book throughout uses an eclectic, subjective critical approach to study how the poetry of Hamlet creates its realistically flawed and believably complex characters. Combining deep, insightful knowledge of Shakespeare and of psychoanalysis, *Hamlet on the Couch* will be of great interest to psychoanalysts and psychoanalytic psychotherapists, as well as literary scholars.

Atmosphärisch, packend, eindringlich – nach »Fürchtet euch« der neue Bestseller von Wiley Cash Gastonia, North Carolina. Easter Quilby und ihre jüngere Schwester Ruby leben nach dem Tod ihrer Mutter in einem Kinderheim. Den beiden Mädchen sind nur noch die Großeltern im fernen Alaska geblieben. Bis plötzlich eines Nachts ihr Vater auftaucht und sie aus dem Heim entführt. Wade Chesterfield will eine zweite Chance mit seinen Töchtern, endlich für sie da sein und anderswo ein neues Leben mit ihnen beginnen. Doch das Verschwinden der Mädchen bleibt nicht lange unbemerkt. Brady Weller, ehemaliger Detective und Vormund der beiden, nutzt seine alten Kontakte, um Wade auf die Spur zu kommen. Aber er ist nicht der Einzige: Auch der brutale Auftragskiller Pruitt, der nach vielen Jahren Rache an Wade nehmen will, verfolgt die kleine Familie. Denn Wade hat etwas bei sich, das ihm nicht gehört. Und hat völlig unterschätzt, in welch große Gefahr sein Handeln Easter und Ruby bringt ...

**The Complete Works of William Shakespeare: Julius Caesar. Hamlet** Jun 15 2021

Textausgabe + Lektüreschlüssel. William Shakespeare: Hamlet Oct 20 2021 Nur als E-Book: Textausgabe + Lektüreschlüssel! Dieses E-Book bietet sowohl William Shakespeares "Hamlet" aus Reclams Roter Reihe als auch den passenden Lektüreschlüssel. Der Text enthält die Referenz zum gedruckten Buch und ist damit zitierfähig und verwendbar in Schule und Studium. Der Lektüreschlüssel hilft übersichtlich, schnell und zielgerichtet bei Verständnisfragen, die während der Lektüre auftreten. Als Kombiprodukt zu einem unschlagbar günstigen Preis. "Hamlet" ist das meistgespielte Stück Shakespeares und Hamlet ist Shakespeares berühmteste Figur. Als vor rund 250 Jahren die Shakespeare-Begeisterung in Deutschland um sich griff, gehörte auch ein sogenanntes ›Hamlet-Erlebnis‹, nämlich die Identifikation mit dem melancholischen Dänenprinzen, zu den Reaktionen auf Shakespeares Stücke. Die menschliche Psyche und ihre Widersprüchlichkeiten sowie die Reflexion über Ich, Fiktion und Welt stehen in diesem Stück auf dem Prüfstand, und nicht umsonst hat der berühmteste Monolog der Theatergeschichte in diesem Stück seinen Platz: "To be or not to be, that is the question" / "Sein oder Nichtsein, das ist hier die Frage".

Wenn die Nacht in Flammen steht Aug 30 2022 Eine Wand aus Feuer. Das ist alles, was Grace Holland sehen kann, als sie aus dem Fenster blickt. Überall in Maine sind nach dem langen trockenen Sommer des Jahres 1947 Brände ausgebrochen – und nun außer Kontrolle geraten. Grace, im fünften Monat schwanger, muss ihre zwei kleinen Kinder allein vor dem Feuer schützen, denn ihr Mann Gene hat sich der Feuerwehr angeschlossen. Hilflos müssen sie und ihre beste Freundin Rosie beobachten, wie ihre Häuser bis auf die Fundamente niederbrennen. Ihnen selbst und den Kindern bleibt nur die Flucht ins Meer. Nur knapp überleben sie die Nacht, doch am nächsten Morgen ist nichts, wie es war: Sie haben alles verloren. Und Gene ist verschollen. Inmitten dieser Katastrophe entdeckt Grace jedoch, dass sie zu mehr fähig ist, als sie bisher angenommen hat. Sie wächst über sich selbst hinaus, doch ihr Mut und Kampfgeist werden auf eine harte Probe gestellt ...
