Public Library Catalog Jun 07 2020 **** Cited in Sheehy and Walford. A core working tool for acquisitions librarians, reference librarians, and catalogers in public and undergraduate libraries, the Catalog is a list of recommended reference and nonfiction books for adults, published quinquennially with annual supplements for the intervening years. The titles are classified by subject and include complete bibliographical data as well as descriptive and critical annotations. This edition consists of 7,735 titles and 3,999 analytical entries. Some 4,000 additional titles will appear in the four supplements. In addition to the main classified catalog, there is a comprehensive author, title, subject, and analytical index, and a directory of publishers and distributors. Annotation copyright by
