Teachers' Guide to School Turnarounds Nov 12 2020 Most guides to the process of turning around low-performing schools are written for principals and policy makers. Teachers, however, are the individuals expected to conduct the “heavy lifting” of school improvement. *Teachers' Guide to School Improvement* is the first book on the subject written expressly for teachers. In this expanded second edition, teachers are shown a step-by-step process for raising student achievement, beginning with the diagnosis of the causes of low achievement and extending through the crucial first year of turnaround and beyond. Examples of effective
